Dear Sr. Jose Joaquin Calvo Domingo

Greetings from the Philippines.

This refers to my earlier email-message, as shown below, and wish to inquire any development or update on the Philippine proposal and intention to establish close cooperation among Range States in your Region in accordance with Res. Conf. 13.9, entitled, "Encouraging coopeartion between Parties with *ex-situ* breeding operations and those with *in-situ* conservation programmes".

Actually, it was my real intention when I approached and briefly talked to you during the 57th CITES-Standing Committee (SC) Meeting in Geneva last July 14-18, 2008, considering your designation/representation, as the CITES-Regional Representative for South/Central America and the Carribbean, you can help us link and work with any existing *in-situ* and *ex-situ* conservation programmes in your Region that we can collaborate and work with.

We will therefore highly appreciate your assistance on this subject matter.

Thank you and best regards,

Truly yours,

Sr. Antonio C. Manila
CITES-Management Authority of the Philippines

Dear **Sr. Jose Joaquin Calvo Domingo**
Costa Rica

I am Dr. Antonio C. Manila, representing the CITES-Management Authority of the Philippines, who approached you yesterday at the 57th Standing Committee (SC) Meeting in Geneva regarding Res. Conf. 13.9

I wish to formally inform you about the Philippines' intention and proposal to have a cooperation among Range States in accordance with Res. Conf. 13.9, entitled, "Encouraging cooperation between Parties with *ex-situ* breeding operations and those with *in-situ* conservation programmes".

In this regard and to formally commence this cooperation, we wish to inquire through you as the CITES-Regional Representative for South/Central America and the Caribbean, concerning any existing *in-situ* and *ex-situ* conservation programmes that we can collaborate with.

We will highly appreciate your response and assistance on this subject matter.

Thank you and best regards,

Truly yours,

Sr. Antonio C. Manila
CITES-Management Authority of the Philippines
